

OFF THE GRID: MCCOPPIN HUB

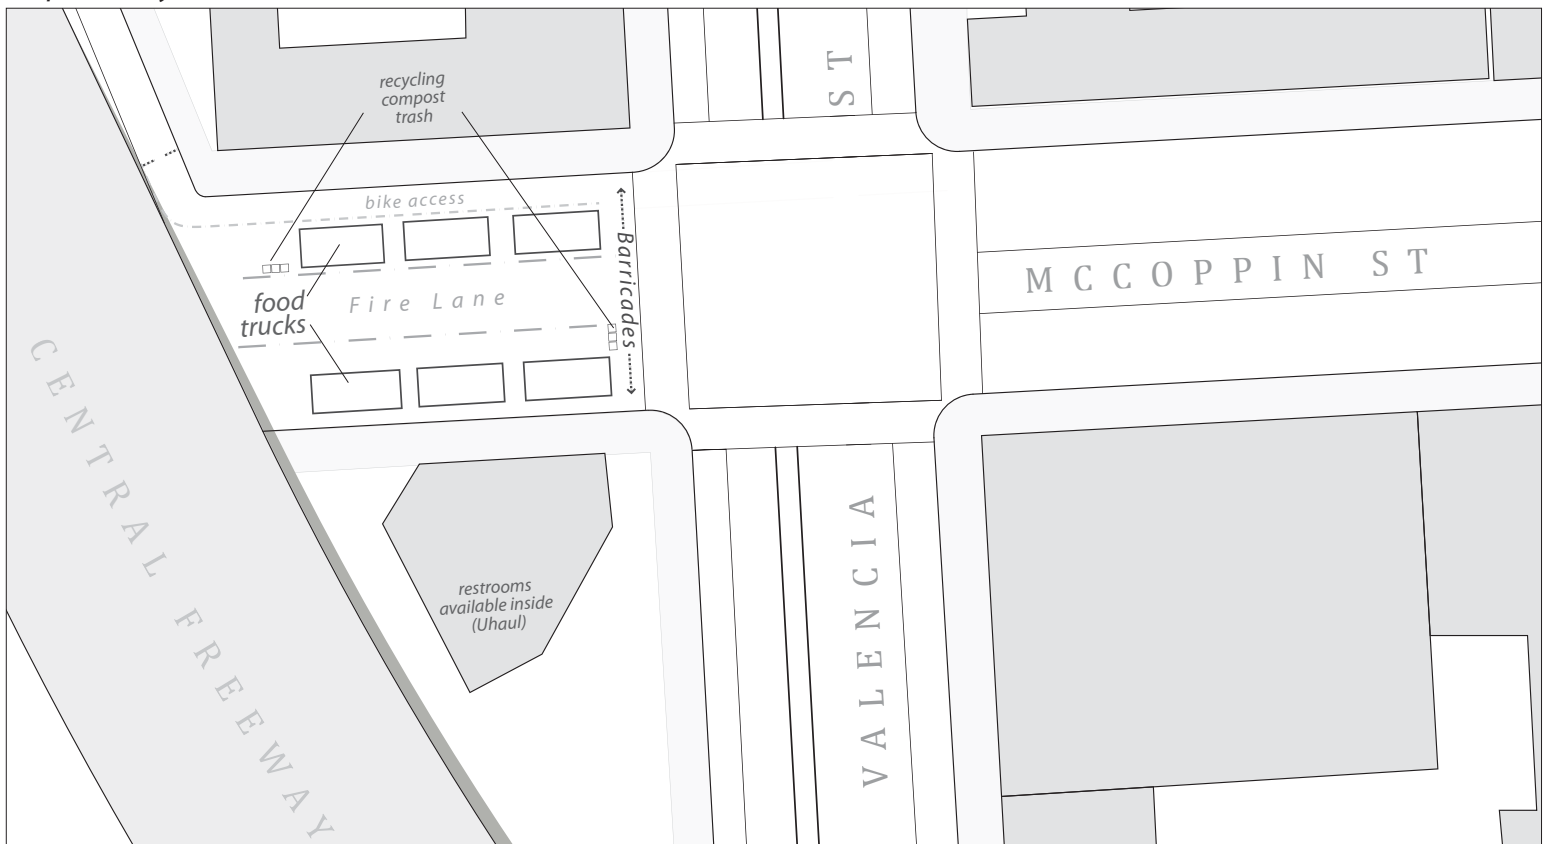

PROPOSED FOR SATURDAYS 11AM-10PM

McCoppin St @ Valencia, Featuring 6 Gourmet Mobile Food Trucks

Public Hearing: Thursday, September 9th - 9am

A public hearing to approve a temporary street closure during event hours will be held by the Interdepartmental Staff Committee on Traffic and Transportation (ISCOTT) at the SF Municipal Transportation Agency (SFMTA) Offices at **1 South Van Ness Avenue @ Market St - 7th Floor**

Proposed Layout:

Off the Grid: San Francisco is a roaming mobile food market that travels to different Bay Area locations daily, featuring both traditional and nouveau Street Food vendors. Off the Grid works closely with non profits, municipalities, and local businesses to promote small entrepreneurs that provide healthy, sustainable, foods.

Off the Grid: McCoppin Hub will demonstrate on a trial basis how gourmet mobile food vendors can energize a community, activate space, and improve neighborhood security. The proposed event is intended to provide positive activity and identity for the "McCoppin Hub" until the funds are available for permanent improvements to the space.

Proposed Start Date: September 25, 2010
